Commissioner of Patents and Trademarks  
Washington, District of Columbia 20231

Sir:

In response to the Office Action mailed May 29, 2002, kindly amend the above-identified application as follows:

**Drawings:**

Examiner objected to the drawings because Figures 23-27 used different reference number than Figures 1-22 to refer to similar structures. Enclosed herewith are new copies of Figures 23-27 using the same reference numbers where possible. The changes have been marked in red and are submitted herewith for Examiner's approval.

**Specification:**

Examiner objected to the specification due to informalities. A MarkUp Specification and a Substitute Specification are enclosed herewith for Examiner's approval. The changes to the specification make changes corresponding to the changes made in the drawings and correcting any typographical errors noted.
